Mr. Earl Reed Silvers,
New Brunswick,
New Jersey.

My dear Mr. Silvers:-

So many notices of unpaid dues to the Association of the Alumni of Rutgers College have been forwarded to me lately from Jamesport that I have decided ^{to write} once more in the hope that my relation to the Association will be straightened out.

The facts are as follows:

1. My address is not Jamesport; and has not been since Dec. 1916.
2. On June 12th at Commencement time I paid my dues (\$3.00) for the year 1917. And have a receipt for the same. The receipt is made out to "Frank Voorhees, Millers Place, N. Y." and states that the membership includes the receiving the Alumni Quarterly.
3. The Alumni Quarterly has never been sent to me as to a regular subscriber. In an effort to have the matter straightened out Mr. Ralph W. Voorhees sent me the Jan. Apr. and July copies on Nov. 7th 1917; and promised to see that I would have no further difficulty in the matter. I have not however ~~xxx~~ received any more copies of the Quarterly.
4. My membership in the Association apparently was never recognized; for I received invitations to become a member during the year 1917 after paying my dues. I wrote to Mr. Schneeweiss asking if the books showed that my dues had been paid. He replied that they did, and enclosed a duplicate receipt. Still the Quarterly did not come to me.
5. I dropped the matter. I had paid my dues. Had given my cor-

rect address. Had attempted twice to have the matter adjusted; and failed. For these reasons I have paid no further attention to notices and bills that have come to me regarding the Quarterly and the Association of the Alumni.

I assure you of my good will toward the Association; and of my desire to receive the Quarterly. And I shall be happy to pay my dues for 1919 if I know I am going to receive the Quarterly. I hardly feel like paying the dues for 1918; for I have not received the Quarterly during the year.

I suspect that my address was never changed from Jamesport to Millers Place on the address files of the Quarterly; and possibly the Quarterly has been coming to Jamesport all the time. But I gave my correct address at the time of paying my dues in 1917 as the receipt shows; and I have written to Mr. Schneeweiss and to Mr. Ralph Voorhees asking to see that my correct address was on the files.

Sincerely,

Frank Voorhees

My dear Miss Voorhees:-

I shall try to take up the matter of cuts for the January number of the Phi Beta Kappa Key this afternoon and shall send them to Somerville to-morrow if possible. I am afraid that there will be little opportunity for conferring with Mr. Chamberlain as he is in New Brunswick only at night and I am here only during the day. However, I feel sure that I will be able to select appropriate cuts.

Very sincerely yours,

Rev. Frank Voorhees,
Millers Place, N.Y.

My dear Mr. Voorhees:-

I have waited to answer your letter of November 30 until our Alumni Association records were completely re-listed and I am now able to write you intelligently upon the matter you have mentioned. The trouble with our Association accounts during the past two years has been the case of too many hands in the soup. First one person and then another had charge of our files until we did not know exactly where we stood and there were many mistakes made. However, I hope that we have at last straightened things out.

The Quarterly has been going to you at Jamesport, and I have found no record of any change until your recent letter arrived. Now, however, you will be addressed at Millers Place, New York, and I am certain that the Quarterly will be mailed you regularly.

I am enclosing a bill for the year 1918-1919, sending you at the same time a copy of the October Quarterly. I am cancelling any obligation up to the present time.

I am very sorry that this mistake has occurred and I sincerely trust that from now on your relations with the Alumni Association

My dear Sir:-

I beg to advise you that tenants in the house at 234 Bank Street, Newark, New Jersey, are expected to pay rent on the day that the same is due. On two separate occasions you have, I understand, postponed the payment of your obligation. May I suggest that we cannot tolerate such postponement, and that we shall expect you to follow the practice of other tenants in the house.

Mrs. Tunis, representing Mrs. Peer, will call for your rent this week, and we shall expect you to pay it at that time.

Dear Mr. Silvers:-

What has ever happened to the Rutgers War Memorial Book? As I recall it, the material was to be ready about a year ago, I never heard from you, however, and as we were very busy and short-handed here I did not bring the matter up. We are better fixed at present, however, and hope we shall have the pleasure of handling this work for you.

If there is anything you would like to talk over, you realize, of course, that I shall be very glad to come down to New Brunswick and see you, if you wish it.

I have read with much interest a number of very favorable reviews of the book you wrote recently for Appleton. I congratulate you on turning out such a good piece of work.

Yours very truly,

Paul G. Tomlinson

My dear Mr. Willever:-

Will you please tell me what
was your exact rating in the Navy during the war.
I have you listed at present as an Ensign in the
Naval Reserves, but I do not know whether that is
right or not. I shall be very grateful for your
early word about it.

With kind personal regards,

Mr. Paul G. Tomlinson,
Princeton University Press,
Princeton, N.J.

My dear Mr. Tomlinson:-

The Rutgers War Book was doing fairly well until we started our endowment fund drive last fall. Since then I have been too busy with the campaign to attend to anything else, and the matter was simply laid aside. This summer, however, I have turned to it again and hope to have it ready for publication sometime in October. To-morrow I leave for a month or so in the West, but upon my return will get in touch with you. If you can come to New Brunswick for a conference sometime in the fall, I shall be very glad to see you.

Sincerely yours,

January 11th, 1921.

My dear Sir:-

I am very anxious to ascertain, if possible, the war record of Mr. Charles E. Merritt, Jr., of the class of 1914, who, I believe, was a member of your fraternity. If you have his war record in your files, I shall be very grateful if you will give me the essential facts, or if that is not possible, I shall appreciate very much his present address. If you have any information about him whatever, will you please drop me a line or telephone me here at the College?

Very sincerely yours,

P.S. I should also appreciate very much the address of Robert C. Elliott, of the class of 1920.

Dear Jomey:-

Can you tell me what rank Paul held in the Naval Remerves, and what he was released from service? I am working these days on our Rutgers War Book, and I have Paul listed as a seaman, but I am under the impression that he was finally commissioned. If you can advise me on these two facts, I shall be very grateful.
