APRIL, 1911.
Scale 1:50,000

NOTE
This map is based upon the data furnished by the War Department, and is not to be construed as a guarantee of accuracy. The War Department is not responsible for any errors or omissions in the data furnished. The map is intended for general information only and should not be used for navigation or other purposes without the aid of a compass and other navigational instruments. The map is subject to change without notice and should be used in conjunction with the latest available charts and publications.

The construction of the piers and bulkheads from the pierhead to the bulkhead is shown in red on this map. The piers and bulkheads are shown in black. The map is intended for general information only and should not be used for navigation or other purposes without the aid of a compass and other navigational instruments. The map is subject to change without notice and should be used in conjunction with the latest available charts and publications.
