Wm Elliott Griffis, Esq.,  
Ithaca, New York.

Dr Sir:- The undersigned, the Pioneer in Corean Travel, (as you are pleased to call him,) presents his compliments to the aforesaid, the Historian of Corea, and begs leave say that the Catchstring is our & him at Mount Odin Park by day and night, should he ever wander into this part of the world. I still have my collection of Corean Curios [intact?]

And I take pleasure in accompanying this note with my brochure on the Practice of Medicine in the Forbidden Land.

Yours Truly,  
**Frank Cowan**

PS. – I am exploring surnames now; and if you want to know all about your peculiar Welsh name, drop me a line.
